

Prairie Masters Annual Meeting  
April 23, 2010

Current officers were re-elected:

Chair Jenny Hodges  
Vice Chair Jeff Hodges (new)  
Treasurer Tony Trussell  
Registrar Mary Turner  
Top Ten Randy Turner

Registrar's Report:

The only real news is our numbers are down 84 members last year and only 63 this year due to two things. One, Mitchell's masters disbanded after their pool was cemented in last fall. We lost approximately 15 people this way. Sioux Falls has very few members. Only 5 or 6. Not sure what's happening there. Pierre and Aberdeen membership is strong. Rapid City made a gain also.

Nationals contacted me in regard to this matter. They suggested Mitchell apply for a grant from Nationals to get their program going. I forwarded this information to Mitchell. The grant application is due June 1st. Haven't heard anything since that time. I will shoot them an e-mail.

We had two master swim meets in Pierre, one in November and another in February and a group of swimmers went to Denver and had a great time at a meet last September and again this April 10th. The Pierre workout group and Aberdeen workout group participated in the One Hour Postal swim in January. We had a record 27 members participate in this activity.

The Pierre workout group has done several activities like the 3000/6000 Postal, Brute Squad Postal, Check off Challenge, and other carbo loading activities too numerous to mention.

We talked about a logo for PMST in the past and a website. No action was taken on these activities.
